To whom it may concern,

I am Paul Johnson, owner of US patent number 5,689,918. The publication date for this patent was November 27 1997. I am concerned that I inadvertently missed paying the last maintenance fees for this patent. I read on the web site that there is a 24 month extension for these fees and it would appear that there are 4 months left on that extension. If I understand it correctly, I have until November 27, 2012 to pay these fees. As this is the only product that our company produces, I am very anxious to have the patent reinstated.

I was advised by your office that the maintenance fee is \$2365 and the fee to petition for reinstatement is \$1640. I have enclosed a check for \$4005 to cover these fees. Please let me know if there is anything else that I need to do.

Thank you for your consideration

Sincerely,

Paul W Johnson
